BACKGROUND

To achieve the goals of coastal and marine biodiversity conservation in Maharashtra, a dedicated institution, the Mangrove and Marine Biodiversity Conservation Foundation of Maharashtra (or Mangrove Foundation) has been established by the Government of Maharashtra to focus on research and education, livelihood development, ecosystem conservation, policy development and interventions enabling participatory conservation of this unique ecosystem.

The foundation has the following specific objectives:

1. To protect, preserve, conserve, regenerate, restore, enrich and maintain the biodiversity of coastal, island, wetland and marine, having direct or indirect impact on human life.
2. To promote livelihoods, culture, socio-economic development such as ecotourism and rights of communities dependent on these ecosystems.
3. To build research and academic capacity in the field of coastal, island, wetland and marine ecosystems that will inform policy-making, act as a repository of information and build the foundation for capacity building and welfare programs.
4. To contribute to the overall goal of coastal, island, wetland and marine conservation and be recognised as an institute of repute in the above said themes.

JOB DESCRIPTION

The Deputy Director (Livelihood Development), under the guidance of the Joint Director and Executive Director, shall lead the designing, planning and implementing livelihood development

activities that support the conservation of mangrove, coastal and marine biodiversity and ecosystems.

DUTIES AND RESPONSIBILITIES

- Oversee implementation of the Government of Maharashtra's Scheme on "Mangrove Conservation and Livelihood Generation" at the state level. Lead the livelihood unit of the Mangrove Foundation to ensure smooth implementation of the Scheme.
- Identify potential interventions in the areas of livelihood and eco-tourism development, in line with goals of the Foundation; lead the Assistant Directors, Livelihood Development and Eco-tourism, and support officers in the Foundation in assessment of proposals, planning and implementing projects in the above areas.
- Lead and provide technical guidance, supervision and support to all aspects of livelihoods and eco-tourism development (includes planning, budget management, implementation, and reporting).
- Provide and ensure capacity building and training of personnel in the Foundation for effective implementation of livelihoods interventions.
- Monitor projects outsourced to various scientific institutes / development agencies and NGOs and carry out impact assessment of works. Coordinate with project implementing agencies and relevant stakeholders to ensure implementation of project activities as per the objectives of the Foundation.
- Carry out regular site/field visits, to monitor, evaluate and report on the progress of works. Provide continuous and detailed feedback to the Joint Director and Executive Director of the Mangrove Foundation on the progress of research (vis-a-vis physical & financial targets) and report on the changes / corrective measures, if any.
- Draft Terms of Reference, monitor deliverables, review reports and prepare appraisal notes for release of funds for sub-projects.
- Lead implementation of communication and outreach activities and organization of events to meet livelihood and eco-tourism development objectives.
- Prepare technical reports, periodicals, articles, event reports, etc. to disseminate information about livelihood and eco-tourism development projects undertaken by the Foundation.
- Identify opportunities for partnerships with organizations and prepare necessary reports to further the goal of involving the private sector and public enterprises for livelihood and eco-

tourism development cooperation on relevant livelihood and eco-tourism development activities in Maharashtra.

- Organize and facilitate meetings, seminars, workshops to build capacity within the Foundation and among its partners.
- Support the Joint Director and Executive Director of the Mangrove Foundation in preparation of budget and administrative functions related to livelihood and eco-tourism objectives.
- Any other duties as decided and approved by the Joint Director and Executive Director of the Foundation. The Deputy Director (Livelihood Development) shall work under the overall guidance and supervision of the Joint Director and Executive Director of the Foundation.

ELIGIBILITY

Post-Graduation in Natural Sciences, Social Sciences, Masters in Social Works and related fields with minimum relevant experience of 5 years. Experience of working in Govt. or Semi-Govt. bodies or development projects with a background of coastal and marine ecosystem, coastal zone management will be preferred.
